1. INTRODUCTION

Institute of Actuaries of India (IAI) IAI is a statutory body established under The Actuaries Act 2006 (35 of 2006) for regulation of Actuarial profession in India. The provisions of the said Act have come into force from 10th day of November 2006, in terms of the notification dated 8th November 2006, issued by the Government of India in the Ministry of Finance, Department of Economic Affairs. As a consequence of this, the erstwhile [Actuarial Society of India](#) was dissolved and all the Assets and Liabilities of the Actuarial Society of India were transferred to, and vested in, the Institute of Actuaries of India constituted under Section 3 of the Actuaries Act, 2006.

The erstwhile Actuarial Society of India (ASI) was established in September 1944. Since 1979 the ASI has been a Full Member of International Actuarial Association (an umbrella organization to all actuarial bodies across the world) and is actively involved in its affairs. In 1982, the ASI was registered under Registration of Literary, Scientific and Charitable Societies Act XXI of 1860 and also under Bombay Public Charitable Trust Act, 1950. In 1989, the ASI started examinations up to Associate level, and in 1991, started conducting Fellowship level examination leading to professional qualification of an actuary, till then the accreditation was based on Institute of Actuaries, London examinations (now Institute and Faculty of Actuaries.)

Objects of the IAI: The main objects of the Institute are (section 5 of the Actuaries Act, 2006);

- To promote, uphold and develop the standards of professional education, training, knowledge, practice and conduct amongst Actuaries;
- To promote the status of the Actuarial profession;
- To regulate the practice by the Members of the profession of Actuary;
- To promote, in the public interest, knowledge and research in all the matters relevant to Actuarial Science and its application; and
- To do all such things as may be incidental or conducive to the above objects or any of them.

2. SCOPE OF WORK

BACKGROUND, AIM AND OBJECTIVE

2.1 ACET (Actuarial Common Entrance Test) is the Entrance Exam which the Institute conducts for students who wish to take up this professional Course. The exam will be held at least thrice in a year. As of now the planned months are: June, September/October and January. To appear for ACET, the examinee must have passed 10+2 examination or an equivalent examination at 10 + 2 level. Nevertheless, it is expected that many of those who are

APPENDIX 1

STATEMENT OF REQUIREMENTS

PHASE I

The detailed requirements (functional and non-functional) are mentioned under;

a)	An expert team will prepare a blueprint of what should constitute a subject Study Material. There would be a blueprint for each topic as per the syllabus. The blueprint will have details as to how many sections and chapters would there be in the Study Material. Each chapter should include definition, syllabus objective, overview, course notes, questions and answer bank, assignments, additional reading and reference. Each chapter should be approximately of equal length. Chapter and syllabus objective should relate to each other. The student reading the material should understand three main study activities: learning, revision and rehearsal.
b)	A detailed Table of Content (TOC) for each subject may be prepared.
c)	We would require one book for every subject.
d)	There is no limit to the number of words or pages expected under each section and subject respectively, however, the quality of the content should commensurate as per the weightage and the number of pages per topic may be indicated.
e)	We would require one hard copy of the study material in and an e-copy (colour format) on the Hard Disk.
f)	The Contract may be of outright purchase.
g)	Since the copyright of the study material will be solely with IAI, the sole responsibility of sending the study material to the students will be of IAI.
h)	As mentioned in Annexure 2 subsection (e) list of professional members in the team with their qualifications, work experience should be attached.
i)	Security :High security standards should be maintained in developing the Study Material

Project Management

The Bidder will be required to have a project manager to direct their operations for the IAI Study Material of ACET- IAI Entrance Examination and to consult and liaise with IAI to ensure the best outcomes for the total program. The Bidder's project manager will be responsible for:

- Close and ongoing consultation between Bidder staff and IAI staff on all aspects of Study Material development.
- The management of timelines and deliverables on the component of the ACET – Entrance Examination Study Material development.

The Bidder may be required to participate in regular face-to-face or teleconference/videoconference meetings (if appropriate).
