

Be a part of something bigger

At Principal, it's not just about the opportunities but also about the lives we touch!

We are expanding our actuarial space and looking forward to potential actuaries joining our Actuarial Team

Qualification:

- Graduated in Mathematics / Science / Statistics / Engineering

Experience required:

- 4 to 10 years of relevant actuarial experience

Preferred key skills:

- Experience with modelling on life insurance/annuity products
- Working knowledge on any actuarial projection software, preferably MG-ALFA
- Exposure to VBA/SAS/R or any other data tool
- Experience on Life/Annuity business
- Exposure to US life and annuity products is an added advantage
- Working experience on quick turnaround projects
- Good progress on Actuarial exams

Principal helps people and companies around the world build, protect and advance their financial well-being through retirement, insurance and asset management solutions that fit their lives. Our employees are passionate about helping clients of all income and portfolio sizes achieve their goals—offering innovative ideas, investment expertise and real-life solutions to make financial progress possible.
