What's your view?

Table discussions.....

Question 1

- If you would suggest three things to redesign EPS 1995, what would they be, why and what investigations would you ask the Government to conduct.....

Question 2

- What do you feel from a technical standpoint about the choice that is now in the draft PF amendment bill of NPS or EPS?

Question 3

- What impact do you feel the updates on the definition of “Wages” will have on employers?

Question 4

- What approaches would you suggest to EPFO of being able to communicate the PF benefits via financial education to its members?

Question 5

- What are some alternative payout phase options that NPS / EPFO and other long term plans might be able to consider?
