## JOIN THE GLOBAL LEADER IN ACTUARIAL SERVICES

Mercer is a leading global provider of consulting, outsourcing and investment services, with more than 25,000 clients worldwide. Mercer consultants help clients design and manage health, retirement and other benefits and optimize human capital. The firm also provides customized administration, technology and total benefit outsourcing solutions. Mercer's investment services include global leadership in investment consulting and multi-manager investment management.

Mercer's global network of over 19,000 employees, based in more than 40 countries, ensures integrated, worldwide solutions. Mercer's retirement business provides our clients worldwide with a consistently high level of service through Retirement Service Centres (RSCs). The RSCs manage significant portions of the actuarial valuation work, along with data, benefit calculations and government forms for clients. This centralised co-ordination enables the RSCs to take advantage of consistent technologies, standardised processes, knowledge sharing and best practices.

- **Manager** - Provide constructive support for both business leader/service delivery leader and team leaders. Your role will include developing actuarial expertise by regular knowledge sharing and working closely with colleagues in US and/or Canada. You will strive for best practice and consistent improvement on quality and efficiency.
- **Team Leader** - Provide constructive day-to-day leadership and review the work of a small dedicated team, who carry out actuarial valuation and related analytics. You will need to develop strong technical expertise within the team and promote a culture of knowledge-sharing; so your team delivers technical work on time and on budget, with a high degree of accuracy.
- **Actuarial Analyst** - Undergo detailed training, before working as part a team of actuarial analysts. Using Mercer's proprietary system to carry out data calculations, and reconcile with previous years' data. Work closely on a broad range of projects with colleagues in other geographical locations, such as preparation of benefit statements and pension plan valuations.

Take your first step towards a future of growth and professional development within Mercer and apply to join us in our state-of-the-art office in Gurgaon.
