5th October 2021

9th Webinar on Data Science & Analytics

Group	: Advisory Group on Data Science & Analytics (AGDSA)
Date & Time	: 23 October, 2021, Saturday
Time	: 0300 PM to 0500 PM - Indian Standard Time
CPD	: 2 hrs. Technical (Any one practice Area as per APS 9-Rev. Ver 3)
Mode	: Zoom Webinars
Target Audience	: Fellows, Associates, Affiliates, Students across domain, All the analytics & technology professionals, CTO's, CRO's, Consultants, Academicians, Targeted across the world
Topic	: i. Data Science and Digitisation fueling healthy living and business outcomes ii. Creating virtual customer - a 360 degree view "using analytics"

Background:

The objective of the webinar is to create awareness amongst the actuarial members and anybody interested in the field of Data Science and Analytics about the applications of Data science in the BFSI sector. Actuarial skillsets are diverse and there are new emerging fields which have started employing the Actuarial professionals. However, there is a lack of awareness among Actuaries regarding such emerging fields. These webinars aim to provide an opportunity to our members to interact with Industry professionals and experts from different domains and specializations.

In this webinar, we have two sessions. The first one on "Data Science and Digitisation fueling healthy living and business outcomes" will discuss how the data science is transforming the health insurance sector and making the businesses more competitive. The second session on "Creating virtual customer - a 360 degree view "using analytics" discusses on the role of data science in creating an integrated profile of a customer in the BFSI sector. This webinar will help participants to understand and appreciate the current developments in the field of data science with specific applications in the BFSI domain.

Presidential Address: Mr. Subhendu Bal, President, IAI

Introductory Address: Mr. Heerak Basu, Chairperson, AGDSA, IAI

Moderator: Mr. Vamsidhar Ambatipudi, Secretary, AGDSA, IAI
