ANNOUNCEMENT

ONLINE GUIDANCE & SUPPORT PROGRAM FOR STUDENTS APPEARING FOR ALL CS, CM & CB LEVEL EXAMINATIONS IN THE MARCH 2022 DIET

“By failing to prepare, you are preparing to fail” is a famous quote by Benjamin Franklin (1706-1790). Barring CB1 & CB2 among the core technical subjects, time and effort requirements are more than what the remaining days left can afford, hence it may be desirable to offer guidance and support to all those who have started their planning. For the first time, CS1B, CM1B, CM2B along with R-webinar videos and support are offered, which may bring extra mileage to all those who prepare for CS1, CM1 & CM2 examinations. CS2B online training program in R also will be arranged in the month of January 2022 in order to meet requirements of candidates who register CS2 examinations.

The online coaching program will be in the form of recorded videos, except for CS1, CB1, CB2 and CS2B subjects. Live sessions for these subjects will start immediately after the September exam results are out. However, those who immediately register for CS1 online coaching will have an additional facility of access to existing recorded videos along with new live classes. All recorded videos will be made available in the student’s login page on the immediately succeeding working day of the office after a successful payment. In addition, support and guidance from respective faculty members by way of telephone and mails will also continue.

Number of sessions/ videos of each subject may range from 25 to 55, depending on the extent of syllabus to be covered, with an average duration of session 90 minutes; covering important concepts, practical scenarios, applications, examination model questions, examination tips and strategies.

The course fee for each of the subject shall be as under:
