ANNOUNCEMENT

ONLINE GUIDANCE & SUPPORT PROGRAM

FOR STUDENTS APPEARING FOR CS, CM & CB LEVEL EXAMINATIONS IN THE JULY 2022 DIET

The IAI continue to offer Online Guidance and support program for students appearing for all technical level subjects under CS, CM & CB levels, except CB3. For the first time, we are ready with videos of all subjects, including R & Excel papers for CS & CM examinations. Since all videos are pre-recorded there is no requirement of attending online classes and the entire course will be available in the form of videos under the login page. This brings in more flexibility and completeness for the learning. Students will also have add-on benefit in the form of notes, models and workings prepared by the faculty under subjects CS1, CB1, CB2, CM1B and CM2B. Given the next round of examinations are close by, support by videos will significantly reduce the time of preparation; hence, it is suggested to select the subject and plan the next examinations without any delay.
