ANNOUNCEMENT OF ONLINE COACHING CLASSES FOR CS1, CS2, CM1, CM2, CB1 AND CB2 SUBJECTS IN THE MARCH 2021 EXAMINATIONS

The March 2021 examinations are notified now. There are many lessons learned from experiences of past few months in respect of time requirement for a successful attempt of subject/s and also on the online mode of examination, first time ever. The next round of examinations are already announced in the same mode as a continuation of the earlier pattern. Given the shortest time for preparation, there is no time to waste and to wait now. It may be a real challenge to complete the course material and to practice within the available time; however, one of the ways to quickly catch up key concepts of subjects is to listen to the videos and move on to attempt past examination questions. Material also may be simultaneously used as required. It is not material to keep the order as “course material first, online coaching” next; probably the “online videos first, course material next” could be a better option to many at this stage. Currently coaching offered for subjects CS1, CS2, CM1, CM2, CB1 and CB2 meant for the next round of examinations. To extent support for R for actuarial examinations, we plan to conduct webinars sometime later, probably early in the month of March 2021, for which a separate notification would be issued in due course.

The online coaching program will be in the form of recorded videos, where all videos will be made available in the student’s login page on the next working day of the office after enrolment. In addition, the support and guidance from respective faculty members by way of telephone and mails will also continue.

Number of sessions/ videos of each subject may range from 25 to 55, depending on the extent of new syllabus to be covered, with an average duration of session 90 minutes; means, subjects closely mapping to old syllabus, viz., CS1, CB1 and CB2 may have 25-39 videos, whereas other subjects may go up to 55 videos covering important concepts, practical scenarios, applications, examination model questions, examination tips and strategies.

The course fee for each of the subject shall be as under:

Subject	No. of sessions	Course fee (INR)
Core Statistics 1 (CS1)	25	5000
Core Statistics 2 (CS2)	53	8000
Core Models 1 (CM1)	55	8000
Core Models 2 (CM2)	51	8000
Core Business 1 (CB1)	25	5000
Core Business 2 (CB2)	39	5000
