# Objective

The Objective to familiarize students with various opportunities available for Actuaries in the Insurance Industry beyond the traditional actuarial roles.

***Speaker Name: Phanesh Modukuru***

**Designation: SVP, SwissRe Global Business Solutions  
India Pvt Ltd**

- Qualified Actuary with about 28 years experience in the Indian Insurance Industry
- Held positions as Appointed Actuary and CFO prior to his current role as Head of Business Management in SwissRe Global Solutions

# Key Takeaways

- Familiarize students with wider opportunities in the industry
- Better appreciation of Actuarial profession as a holistic profession rather than being confined to few restricted areas
- Opportunities in related areas like Investments, Finance & Operations
