Current Issues in Health Care Insurance

One day Seminar on January 20, 2012 in The Westin, Gurgaon, New Delhi

Background: Health Care Insurance is strongly influenced by economic and socio economic developments, regulatory changes and inflationary trends. What were the most relevant developments in India in 2011? Which of those current issues have the potential to change the Indian health insurance market and in which direction? How can the Industry prepare for it?

This seminar brings the relevant stakeholders: Manager, Actuaries, Underwriters, TPA’s, Providers and Regulatory Bodies and Intermediaries together to exchange opinions and share best practice related to those questions. The Institute of Actuaries of India, through this one-day Seminar attempts to facilitate this discussion and dialogues.

The seminar will include coverage of the following:

- Regulatory Trends in India and Emerging Issues
- Issues related to coverage of elderly and portable cases
- Health Saving Account Products
- Driver of Health Insurance Product Innovation
- Update on Hospital Quality of Care and Provider Accreditation

Speakers: The speakers are prominent leaders from the Health Industry including senior decision makers from the IRDA, the Indian Insurance regulator.

Who should attend: Given the nature of the issues being discussed and the diverse profiles of the speakers, it is open to all professionals associated with the Health Insurance industry.
