ANNOUNCEMENT OF SP1 (HEALTH AND CARE) **GUIDANCE AND SUPPORT PROGRAM**

I. BACKGROUND

In our commitment to nurturing aspiring actuaries, we're thrilled to unveil a tailored guidance and support program for SP1 Health and Care. This subject is pivotal on the path to achieving Associate/Fellow status, demanding a solid grasp of fundamental concepts like health insurance types and risk assessment methods.

With the May 2024 exams approaching, we've meticulously crafted a series of sessions. These sessions, led by experienced faculty in actuarial education, will provide invaluable insights, targeted strategies, and personalized assistance, ensuring students are equipped with the knowledge, skills, and confidence needed to excel in SP1.

Beyond exam success, our program aims to cultivate competent and accomplished actuaries. It's about empowering students with the tools and confidence to thrive in their careers. We invite all aspiring actuaries to join us on this transformative journey towards excellence in Health and Care.

II. OBJECTIVE

The program's goal is to improve exam preparation by emphasizing the creation of effective strategies and tackling common errors, weaknesses, and gaps that lead to failure. Essentially, it aims to educate and train individuals on best practices to follow and pitfalls to avoid, ultimately transforming failure into success. Put simply, it's about understanding and implementing the "do's and don'ts" to turn failure into success.
