IAI's Maiden Seminar on Climate Risk

Institute of Actuaries of India is pleased to announce its maiden **Seminar on Climate Risk**, designed to provide deep insights into the critical issues surrounding climate risk and its impact on the broader economy, particularly from an actuarial perspective.

Date : 19th July 2024, Friday
Time : 10:30 AM to 6:00 PM
Venue : GIFT City, Gandhinagar

The Seminar shall focus on following topics:

- Overview of climate change risk and its impacts on the broader economy
- Regulatory perspectives and developments in climate risk management
- Measurement and management of physical and transition risks
- Climate risk scenario analysis and stress testing methodologies
- Reporting and disclosure requirements on climate risk for insurance and banking sectors.
- Challenges in measuring climate-related risks
- The role of actuaries in managing climate risk in the insurance sector
- Sustainable finance opportunities and trends
- Industry insights and best practices in climate risk management

Presenters: To be announced shortly. Stay tuned for updates!

Join us for a day of insightful presentations, interactive discussions, and networking opportunities with industry experts and leaders. This seminar aims to equip participants with a comprehensive understanding of climate risk and its implications, along with actionable strategies for effective risk management.
