ANNOUNCEMENT OF SP1 (HEALTH AND CARE) GUIDANCE AND SUPPORT PROGRAM

I. BACKGROUND

There are quite a good number of students requested for a guidance and support program for the SP level exam in Health & Care. Most of the candidates are well prepared in terms of content, however, the ways and means to apply the core principles to different scenarios appear to be a challenge. Hence, the Institute, for the first time offering a guidance and support program involving an expert faculty

II. OBJECTIVE

The objective of the program is to make overall improvement in the ways of preparation, formation of exam strategies and to engage in practicing by addressing common mistakes, flaws and gaps which together leads to a failure. In simple format, it's about to know and practice "What are do's and don'ts" for converting failure to success.
